This fully renovated townhome is the epitome of urban city living. Located in the Grove, one of the city's hottest dining and entertainment districts. First floor is a comfortable open concept with half bath off the generous kitchen. Second floor features two bedrooms, comfortable full bath with double vanity, laundry and plenty of closet space. Great atmosphere for entertaining in the backyard with a private courtyard feel. Major systems including the roof updated in 2014. Full basement adds lots of storage space. Enjoy the privacy of the dead end street while being mere steps from all the action.
