

3411 Vista Ave.

St. Louis, MO 63103

To-be built*** Ideally situated in the Gate District, within walking distance to the SLU Medical Campus and just minutes to Downtown, Midtown, Lafayette Square and The Grove, these homes have not only a great neighborhood location, but also have a great view of downtown. The Theresa Model has many options for customizing finishes, increasing energy efficiency, and making your space your own. The open concept plan feels loft-like with plan flexibility to suit any family lifestyle. When you buy a home, you work with our Design Liaison to personalize all the finishes and upgrades, based on the floor plan you choose!
