ABOUT PROPERTY

Unique opportunity in the historic Dutchtown neighborhood of South St. Louis! This property is an ideal set up for group housing or a non profit agency. The home has 12 individual bedrooms served by five separate common bathrooms. There's plenty of living and community areas including a laundry room. Life and safety upgrades include security cameras in the common areas and a sprinkler system. Property has a separate room used as a staff office complete with its own bathroom. This home has been very well maintained and all systems are in good working order including the commercial water heater and central air. Close proximity to highways and public transportation make this a great location. For a showing please schedule with the listing agent.
